

Dear Friends,

With a broken heart we will stop the Public Celebration of the Holy Mass from Friday Evening and any other community gatherings, Devotions, Catechesis, Lenten groups and socials until we are told when can begin again.

Tomorrow we will cancel our two Lenten groups and the school Mass. Holy Mass in the Extraordinary Form will be as normal at 7.30 with Benediction.

The 24 Hours of the Lord on Friday 20th March will not go ahead in its fullness. Without the presence of the Confirmation Group on Friday night or the First Holy Communion families Confessions on Saturday morning. We will keep the plan for the Friday with adoration from 12 noon till 10.00pm in the evening with Mass at 7pm. Confessions will be available. Please try and spend some time on Friday with the Lord remembering to keep distance between each other in the church.

Each day during this time the Church will be open, and will it be kept clean. Please bring hand sanitisers with you when in the church.

I and few parishioners are working out a way to live stream the daily mass, any advice on that I would be grateful to receive. I encourage you and myself to take this as a fast this Lent from the thing we love the most. Jesus Christ, Body, Blood, Soul and Divinity in the Host and the most important thing we do as Catholics the Sacrifice of the Mass. Its does not seem fair or easy for this to happen in a time we need Him more. But we have be practical and to protect gods holy people. This is a time to make us think and pray how important our faith is in life. It's a chance to grow in our Eucharistic faith and love for the Lord.

Let's pray for each other and the whole world as we face this together. Please share on our group if you need help, or something funny or spiritual. I am
Here if you need help, advice, confession please email or message me.

I will keep you updated and please join the new page on Facebook.

Through Jesus and Mary.

Fr Gerard
