HELPING UKRAINIAN REFUGEES

Offering your property or home - The situation in Ukraine is changing daily, with Bishop Richard and our diocesan central office teams actively engaged with partner organisations to discover and signpost the safest and most effective steps people, families, and parishes can undertake to help our Ukrainian brothers and sisters. Those wishing to donate financially are encouraged to give to CAFOD's Ukraine Appeal. To date the UK Government has announced two initiatives to support Ukrainian refugees arriving in the UK – a Ukraine Family Scheme Visa for relatives of Ukrainian people already living here, and a broader Homes for Ukraine scheme for people and families able to host refugees in their homes and properties. Volunteers who sign up to Homes for Ukraine need to commit to being a sponsor for at least six months. Sponsors will not be able to charge rent but will be able to receive a tax-free payment of £350 a month from the UK Government. Sponsors will need to be vetted and registered with their Local Authority, with people arriving from Ukraine also passing security checks.

Things to consider - There are a number of things to consider if you are thinking about hosting a person or family from Ukraine:

Potential sponsors should examine the impact that offering a room in their home for a minimum of six months could have on their life, and what it might take to support an individual or family.

We recommend that potential hosts research the support that people fleeing the conflict might need and explore what is available in their area, perhaps building connections and support locally before offering to be a sponsor.

We strongly suggest households applying to host through the Homes for Ukraine scheme contact a local refugee action group and/or a charity that works with refugees and asylum seekers.

CSAN recommends the charity Reset for those wishing to be matched as a host with a refugee person or family from Ukraine - Reset already works with the Home Office on community sponsorship of refugees. You can register to be matched with a Ukrainian refugee on Reset's website.

A further announcement on plans for churches and other charities to resettle refugees over the longer term through a new Humanitarian Sponsorship scheme is awaited, with the Diocese also exploring the possibility of housing our refugee brothers and sisters in suitable empty presbyteries.

Can you speak English and Ukrainian? The Diocese is working closely with Bishop Kenneth Nowakowski, the Ukrainian Eparchial Bishop of the Holy Family Eparchy in London and is compiling a list of people across our Diocese able to speak English and Ukrainian, who are willing to volunteer their time to help people arriving in Sussex and Surrey. Ukrainian speakers are asked to contact Laura Maydew-Gale in our Communications Office with:

- Their full name
- Level of fluency i.e. beginner/intermediate/advanced
- Town (to enable us to match people with arrivals in their area)
- Capacity to volunteer i.e. one/two/three + hours per week

Please send these details to E: communications@abdiocese.org.uk

Additional Information: The Diocese continues to promote **CAFOD's Ukraine Appeal** to parishes and people wishing to give financially. You can give to CAFOD's Appeal [here](#). You can access

Reset's website at: <https://www.homesforukraine.org.uk> with the site also available in Ukrainian.

The Month of April, is dedicated to the Blessed Sacrament.

We will adore for eternity in the most Holy Sacrament.

Pray the Anima Christi and ask Jesus to fill you completely.

Soul of Christ, sanctify me. Body of Christ, save me.
Blood of Christ, inebriate me. Water from the side of Christ, wash me.
Passion of Christ, strengthen me. O good Jesus, hear me.
Within your wounds, conceal me. Do not permit me to be parted from you.
From the evil foe, protect me. At the hour of my death, call me.
And bid me come to you, to praise you with all your saints.
For ever and ever. Amen.
